

PROJECT EXPERIENCE

Tallmadge Athletic Complex

General Contractor: Beaver Constructors
Project Delivery: New High School Athletic Complex
Square Footage: 7,500 Sq Ft
Project Manager: Mike Davis
Location: Tallmadge, Ohio
Duration: 10 Months

Completed in 2019, the new Tallmadge City Schools Athletic Complex features a 3,500 Seat Capacity Stadium and astroturf field, surrounded by an eight lane track for all sporting events. The facility also contains a 7,500 Sq Ft field house, which includes home and away locker rooms, public restrooms, and concessions. The site also has room for on-site parking.

Hired by Beaver Constructors, Hilscher-Clarke was the electrical and telecommunications contractor responsible for the installation of: the field lighting system, scoreboard, sound system, generator,
